

# CUSTOM MONOGRAMS

# Custom Monograms

Give your wedding the seamless and stunning look by visually tying together all the pieces — save-the-dates, website, invitations, programs, favors, thank you stationery... virtually anything! A personalized monogram gives your wedding a custom-tailored look from start to finish.

Professionally printed or do-it yourself, we provide your monogram in several formats that can easily be used by printing companies or on your home computer.

Casual, classic, contemporary, or  
seasonally themed – custom designed  
to suit your taste.

- Save the Dates

- Tags & Labels
- Thank You Notes

# FAQs

## How much will a monogram cost?

- \$150 will get you the design along with the digital files provided in high-resolution for print and low-resolution for email and online purposes

## What do I do when I am ready to order?

- First, fill out the order form and then email it to me – [dannis@digitalcouture.org](mailto:dannis@digitalcouture.org)
- I will send you some samples to get a better idea of your style
- Based on your information I will design around 3 monograms for you to choose from along with two rounds of revisions to make changes
- The final design files will be provided via email

## Can my monogram be used on commercially printed invitations?

- Yes, I will be providing your artwork in JPEG and PDF files, which are universally accepted formats by both Macs and PC's

## How long will it take?

- You will receive a proof within 5 business days after your order has been placed

+00 1 (901) 487-8557 • PO Box 40352 Memphis, TN 38104

# The Questions

The bride's name first or the grooms'? – If you are concerned about wedding etiquette, (according to the Emily Post Institute) the order of the names on your invitations and logo makes no difference and either name or initial may be placed first.

Name/Initial to Appear 1st:

Name/Initial to Appear 2nd:

Last Name:

Wedding Date (EXACTLY the way you want it to appear):

City, State or Other Text to Appear on Monogram:

Your Style(s) (Classic, Modern, Vintage, Retro, Outdoorsy, Romantic, etc):

Fonts (Do you like block, script, handwriting or gothic – You can choose more than one):

Colors (Maximum of Two Colors): *If you are planning on having your design etched onto favors such as glassware a one color design will work best.*

Please include any notes that you think will be helpful:
